

*Holiday Inn*

**Norwich – North**

## **Responsible Visitors Charter**

Welcome to the Holiday Inn Norwich North. Here at the hotel we encourage all our guests and visitors to be responsible and help us to protect the local environment. Here are a few ways you could help:

- **Conserve Energy** - Reduce energy by switching off lights and closing windows if the heating is on. Remember to turn off your TV when leaving the room. Do not leave your TV on standby.
- **Reduce, Reuse, and Recycle** - Try to avoid overly packed goods and say no to that extra bag. Try and recycle any waste you have.
- **Be Water Wise** - Please use water wisely. Turn off the tap when brushing your teeth and adhere to towel policies or other initiatives.
- **Give the Car a Rest** - Leave the car behind, if only for a day. Walk, cycle or use public transport. We will be happy to provide you with advice and information from our Going Green file kept at Reception.
- **Respect Nature** - When you are enjoying the beautiful Norfolk Countryside please remember to bag your rubbish and use the bins provided. When using designated walks please abide by the signposts and remain on the allocated pathways.
- **Support Green Tourism Businesses** – We are proud to be one of the many businesses trying to reduce our environmental impact through the Green Tourism Business Scheme. We would really appreciate your help and of course any suggestions you may have.

**Thank you for your time and participation – have a great stay**
